Your Quality Assured - Your Reputation Enhanced

Are you marketing or about to begin marketing new build homes in your area and would like to increase your earnings per sale?

Then introduce the developer to ProHome UK and our 3rd party Quality Assurance & Warranty Management services.

Earn 15% of our revenue by simply referring us to a developer in your area.

A property that comes with a ProHome Warranty Management service will be easier for you to sell. ProHome enhances the reputation of the developer and assures a pre agreed quality of finish.

How does it work?

- ProHome charges the developer 0.35% of the sale price for 1 to 10 units.
- ProHome is paid a one off fee per unit as they are sold. Once we have the funds we transfer 15% to you.
- Here's an example: You refer a developer who is building 10 homes at £650,000 each to ProHome, you receive £341 per home or £3,410 when the development is fully sold.
